Key Note Speaker: Grant Hovik, MA

A Focus on Stimulants: Stimulant Treatment Considerations for Specific Populations in Rural Communities

Contact: Contact Heather Momberg by e-mail (hmomberg@mednet.ucla.edu) or by phone (310-206-2759), if you have questions, special needs, or require additional information prior to completing the registration form. Limited travel support is available, please reach out to Heather Momberg via email for further details.

About: The *Opioid Response Network (ORN)*, in collaboration with Crossroads Recovery, are celebrating National Recovery Month. The National Recovery Month event will focus on rural health response to stimulant and opioid use and how the Eastern Sierra region can work together to meet the needs of our communities. Registration will be approved on a first come first served basis. Breakfast and Lunch will be provided.

Funding for this initiative was made possible (in part) by grant no. 1H79TI085588 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
